

## Recording studio price list

The total amount of rent is based on the sum of the prices shown below. The prices do not include the work of a music director nor a sound engineer, they include technical assistance only.

Sound engineering rates and sound directing rates, if applicable, vary according to the type of the recordings and are determined by agreement.

Total price for the recording is therefore calculated as a combination of the used items; for short-term rents it is necessary to add 21 % VAT.
